

# Blackfoot Public Library

## Strategic Plan

### 2020-2022 Goals

#### We will concentrate on:

- Maximizing the use of existing facility
- Expanding the presence of the Library within the community
- Providing programming opportunities for all age groups
- Increasing the digital collection of the Library

### Core Services

#### In keeping with our Vision and Mission, we:

- Sustain a diverse collection of materials in various formats
- Lend library materials
- Connect readers with books
- Provide access to computers and connectivity
- Present programs addressing community needs and interests
- Maintain safe, welcoming spaces

### Vision

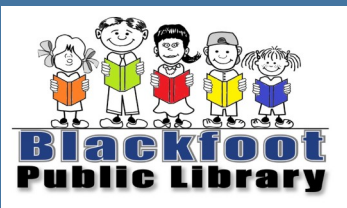

#### Our purpose is:

To provide equal access to the Library and its resources and to support life-long learning for all

### Mission

#### We believe in:

Providing space and resources to think, meet, work, circulate, and create
